

Fostering a Quality (and Valuable) Learning Environment Beyond the Classroom

Dr. Anne Clancy and Michael
Kubit

We'd like to get to know *you!*

In the chat, tell us ...

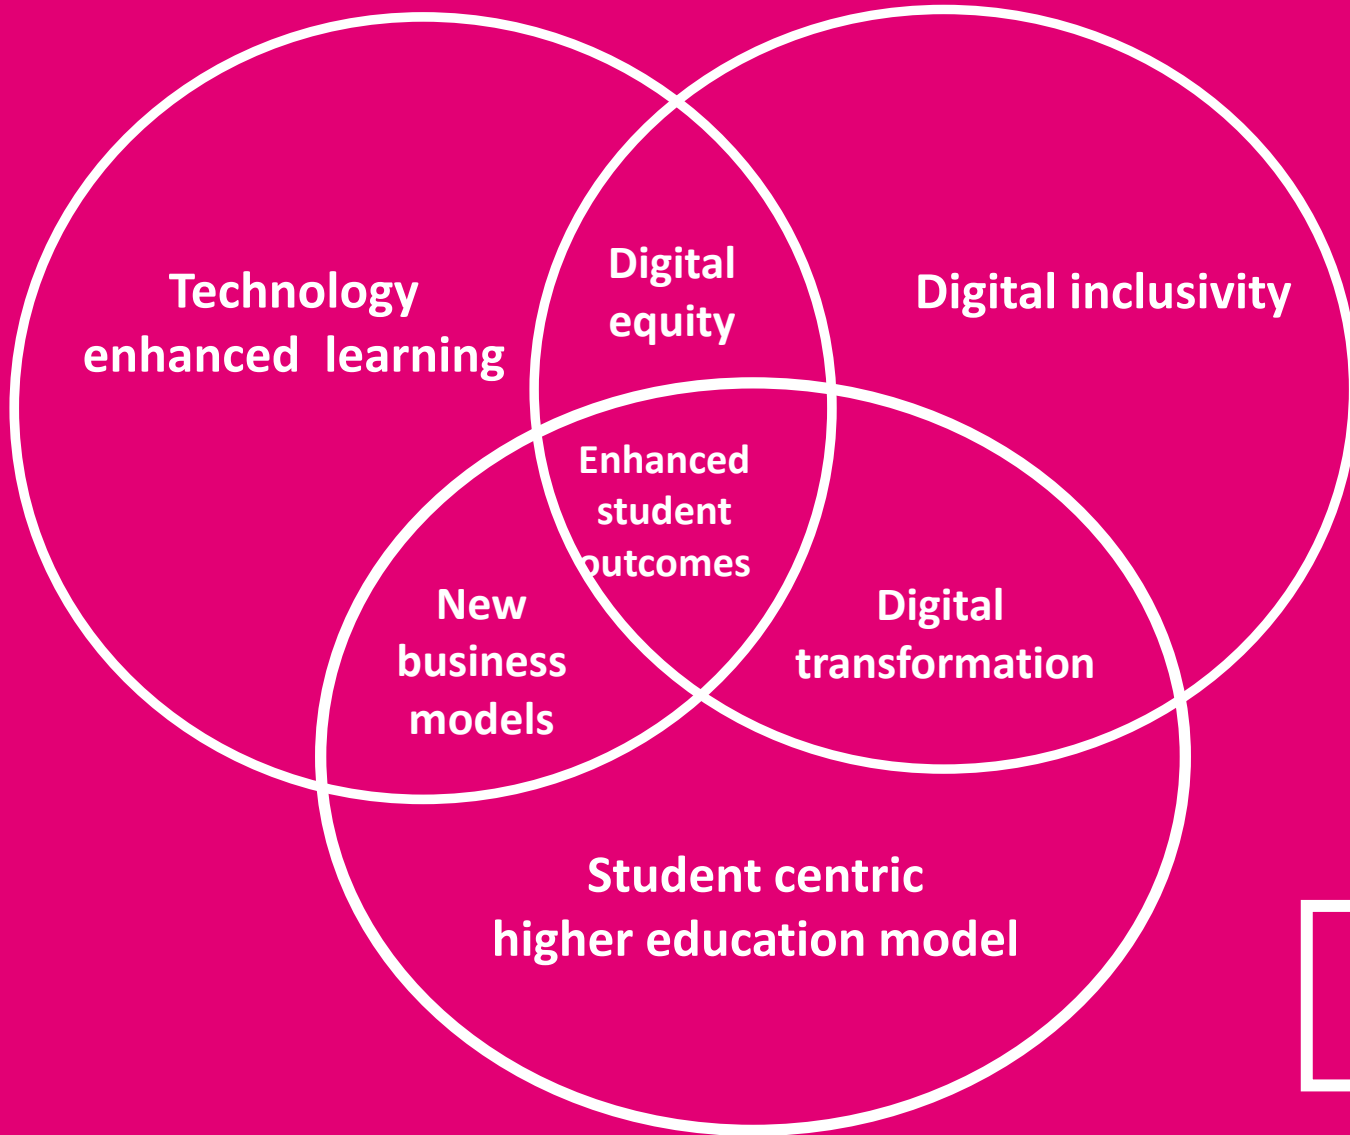

- What higher education institution are you representing today?
- What topic are you most excited to hear about during today's webinar?

The Panelists

Elements of a Valuable Learning Environment

- **Facilitating Innovation through Technology-Enhanced Learning**
 - Embracing advanced technology to foster innovative learning methods and experiences.
- **Promoting Digital Inclusivity**
 - Addressing the digital divide and promoting digital equity to ensure all students have equal access to educational resources and opportunities.
- **Adapting the Higher Education Model for Student-Centricity:**
 - Evolving the higher education business model to better serve the unique needs and preferences of students in the modern educational landscape.
