Dear President Imhoff:

The School Participation Division- Kansas City has transferred Mid-Continent University (MCU) from the Advance method of payment to the Heightened Cash Monitoring 2 (HCM2) method of payment effective August 13, 2013.

Under the HCM2 method of payment, MCU may continue to obligate funds under the federal student financial assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended. MCU may disburse institutional funds to eligible students. If MCU disburses institutional funds, the U.S. Department of Education (Department) will reimburse it for properly documented expenditures. The Department reserves the right to offset any federal claims against funds due to MCU.

This action is authorized by Section 415 of the General Education Provisions Act, 20 USC 1216a-1, and by the following program regulations: 34 C.F.R. § 668.162, Student Assistance General Provisions.

The Department has taken this action because of ongoing issues with the program review that was conducted from 11/15/10 to 11/18/10.

If you wish to discuss this matter, please contact me at 816-268-0440.

Enclosed are the detailed instructions for all HCM2 requests. Please address all submitted requests and inquiries to:
