The **Kaplan University Competency Report** reflects a student's capacity, demonstrated throughout his or her program(s) of study at the University, to effectively apply the knowledge, skills, abilities, and behaviors required to execute work-related activities and projects. The Competency Report contains a list of competencies and a descriptor next to each denoting the level of mastery achieved. The Competency Report is visible to each student in the KU Campus student portal at any time during his or her program and is available as a printable PDF.

For more information about the Kaplan University Competency Report, please visit www.kaplanuniversity.edu and click on Competency Report at the bottom of the homepage. The information provided in the Kaplan University Competency Report is validated by Kaplan University. Because the information is customized and printed by the student, the Kaplan University Competency Report is always considered an unofficial document.
