

What Students Want for Fall: Can Colleges Deliver?

An Inside Higher Ed webcast
Tuesday, June 29, 2021
2 p.m. Eastern

Panelists

Diana Rogers-Adkinson
Bloomsburg University of Pennsylvania

Simran Kaur Malhotra
University of Georgia

Brandon Busted, Kaplan

Post-Pandemic Hopes

Fewer group projects
Ability to communicate privately with a professor during class
Smaller class sizes
Lecture recordings available online
Option of attending classes virtually or in person
Virtual events or virtual access to events
Online access to support resources
Expanded hours of student services departments

Questions?

- If you have a question, please type it into the Q&A field next to the presentation box on your screen.
- We won't read your name or institution unless you specifically want us to – please include your name or institution, or institution type, in your question if you think that information will help us answer your question more effectively.

With Thanks ...
